INDEPENDENT AUDITOR'S REPORT

Board of Directors
Communities in Schools of Palm Beach County, Inc.
West Palm Beach, Florida

Report on the Financial Statements

I have audited the financial statements of Communities in Schools of Palm Beach County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

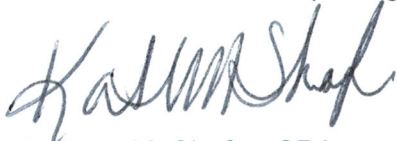

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Communities in Schools of Palm Beach County, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matter

As discussed in Note 8, the Organization adopted ASU no 2016-14, presentation of Financial Statements of Not for Profit Entities. My opinion is not modified with respect to these matters.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated November 19, 2019, on my consideration of the Organization's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Communities in Schools of Palm Beach County, Inc.'s internal control over financial reporting and compliance.

COMMUNITIES IN SCHOOLS OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

1. General Description of Activities and Significant Accounting Policies:

Communities in Schools of Palm Beach County, Inc. is a not-for-profit organization exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code.

The Organization provides technical assistance to educational and social institutions to reduce the number of students who drop out of school. It is supported with contributions and grants from individuals, corporations, foundations, civic organizations, and government agencies. Supporters include local residents and businesses, as well as some of the area's seasonal residents and their businesses outside of the local area.

The significant accounting policies that follow are presented to enhance the usefulness of the financial statements to the reader.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Promises to Give

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

The Organization uses the allowance method to determine uncollectible promises to give. The allowance is based on prior years' experience and management's analysis of specific promises made.

There are no promises to give receivables at June 30, 2019.

COMMUNITIES IN SCHOOLS OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

1. General Description of Activities and Significant Accounting Policies, Continued:

Property and Equipment

The Organization capitalizes property and equipment over \$1,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as without donor restriction contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as with donor restriction contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies with donor restriction net assets to without donor restriction net assets at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to thirty years.

Contributions

Contributions received are recorded as with donor restriction or without donor restriction net assets depending on the existence or nature of any donor restrictions.

Contributed Services

No amounts have been reflected in the financial statements for donated services. The Organization generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services.

Income Taxes

The Organization is a not-for-profit Organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Expenses

Expenses are allocated based on their proportionate share of total expenses.

COMMUNITIES IN SCHOOLS OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS, Continued
JUNE 30, 2019

2. Restrictions on Net Assets:

As of June 30, 2019, the Organization had \$10,036 in donor restricted net assets for use for Student Leader wages over the summer and training.

3. Revenue Recognition

The Organization recognizes revenue from grants and contracts when earned and other revenues and contributions when received. Pledges or promises to give that are, in substance, unconditional are considered a basis for recording future revenue.

4. Accounts Receivable:

Management periodically reviews the grants and accounts receivable balances and provides an allowance for accounts which may be uncollectible. There are \$14,800 grants receivables at June 30, 2019. Management has determined that all receivables are collectible; therefore, there is no allowance for doubtful accounts.

5. Summary of Fixed Assets and Depreciation

Furniture & Equipment	\$ 25,838
Less Accumulated Depreciation	<u>25,608</u>
	<u>\$ 230</u>

6. Lease commitments

Minimum future lease commitments are as follows:

<u>Year Ending June 30</u>	<u>Amount</u>
2020	2,700

7. Concentration of Risks

The Organization is dependent on funding from grants and various other contributors. The amount of contributions is dependent on the funds available and the budgets of the contributors. Lack of funding could have a significant detrimental effect on the continued operations of the Organization.

COMMUNITIES IN SCHOOLS OF PALM BEACH COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

8. New Accounting Pronouncement:

In August 2016, the FASB issued ASU 2016-14, Presentation of Financial Statements for Not-for-Profit Entities, which revises the not-for-profit financial reporting model. ASU 2016-14 provides for additional disclosure requirements and modifies net asset reporting. The standard requires the Organization to reclassify its net assets (i.e., unrestricted, temporarily restricted, and permanently restricted) into two categories; net assets without donor-imposed restrictions and net assets with donor-imposed restrictions, among other requirements. The Organization adopted ASU 2016-14 for its fiscal year ending June 30, 2019 and has adjusted the presentation of these financial statements accordingly. The ASU has been applied retrospectively to all periods presented. The implementation of this ASU did not have a material effect on amounts previously presented.

9. Availability and Liquidity:

Financial assets of cash \$246,038, and account receivables \$14,800 for financial assets available of \$260,838 to meet expenses over next twelve months. As part of the Organization's liquidity management plan, the Organization structures its assets to be available as general expenditures, liabilities and other obligations become due.

10. Date of Management Review:

Subsequent events have been evaluated through November 19, 2019, which is the date the financial statements were issued.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements Performed in
Accordance with Government Auditing Standards**

Board of Directors
Communities in Schools of Palm Beach County, Inc.
West Palm Beach, Florida

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Communities in Schools of Palm Beach County, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated November 19, 2019.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Communities in Schools of Palm Beach County, Inc.'s internal control over financial reporting (internal control) to determine my audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Communities in Schools of Palm Beach County, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

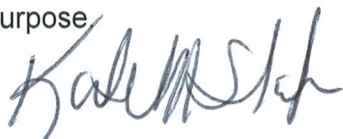

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Communities in Schools of Palm Beach County, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in blue ink, appearing to read 'Kathleen M. Shafer', is written over the printed name.
